

**\*Delaware**

All Child Protection Registry checks must be submitted through the Delaware Child Protection Registry Request Web Portal. **Delaware no longer accept requests through email, fax, spreadsheet, or postal mail.**

The consent form that must be used for CPR requests can be found on the web portal homepage under the green registration buttons to the right.

Here is the link to get to the portal:

<https://childprotectionregistry.delaware.gov>

You must register as a new agency. On the right side of the home page, you will see Agency Procedures in blue. If you click on that, it will give you all the instructions that you will need. I suggest that you print them out so you will have them, as you go through each step.

Also, please be aware that as of 10/1/20, there is a \$14.00 charge for each form processed through the web portal. Payment instructions are in the Agency Procedures that I already told you about.
