

To DES Providers:

Below is a list of the states and instructions on how to complete the Request for Search of Background Checks for each state. These are instructions for an **employee who needs an out of state background check if they have lived out of state in the past 5 years.** Please note that each state is different and has different requirements to submit their Request for Search of Background Checks. Please read what each state requires carefully and submit accordingly. If it is not submitted correctly, your Request for Search of Background Check cannot be processed and will be returned.

Please note that these background checks are **REQUIRED** per your contract with Department of Economic Security (DES). A response is required, either by submitting the forms or by emailing us to inform us that the individual is no longer employed.

All forms must be returned to Central Registry within **14 business days from the date results were emailed to you.**

Please **DO NOT** send these forms directly to the State that the individual previously resided in as the forms will need to be reviewed and tracked by DES.

Please feel free to contact CCACentralRegistry@azdes.gov with any questions.
